

4. What are the urgent needs identified by the community? Please specify under the following headings, highlighting the specific issues prioritised by women:

- food
- shelter and non-food items
- health
- protection
- psychosocial support
- water, sanitation and hygiene
- other (livelihoods etc.)
- seeds for the next sowing.

5. Are there specific impacts on women that you can identify at this stage? What are the specific needs of women in the communities visited?

6. Who are the most vulnerable groups in this crisis and how are they being affected differently?

7. What is the community already doing to respond in each of the places sampled? What existing community structures exist that are organising the response (e.g. traditional leadership structures, women's groups etc.)?

8. What is being done by other agencies in each of the communities sampled (e.g. UN agencies, NGOs, government?)

9. What are the gaps that are not currently being met?

10. Situation forecast: briefly describe how the situation is likely to develop over the next four weeks.

- E.g. forecasts for heavy rain and flooding, upcoming lean food season, projections for spread of disease, risk of conflict or social unrest
- state the basis for this analysis (e.g. weather forecasts, government, NGO, UN data, ActionAid own analysis, community views etc.).

11. Brief description of the rapid assessment process

- date of the assessment
- methodology and sources of information used (including ways you ensured women's participation)
- name of the person and organisation responsible for the assessment.

AA Country Programme National (Office)

Describe conditions at the ActionAid national offices (tick as appropriate)

<input type="checkbox"/> No damage	
<input type="checkbox"/> Minor damage	
<input type="checkbox"/> Moderate damage	
<input type="checkbox"/> Destroyed	

AA Local Rights Programmes Infrastructure (Office)

Describe conditions at the LRP offices (tick as appropriate)

<input type="checkbox"/> No damage	
<input type="checkbox"/> Minor damage	
<input type="checkbox"/> Moderate damage	
<input type="checkbox"/> Destroyed	

Human resources

Explain availability at Country Programme national headquarters and LRP levels after the emergency

	National level	LRP level
Staff		
Volunteers		
Partners
